

Materials List for Fondant II

NOTE: You probably already have several of these items around the house and won't need to purchase. You may want to bake your own cake as well.

- Rolling Pin with no abrasions
- THE MAT - The Ultimate Fondant Application System (only at Sweet Wise)
- 2 Pounds FondX Rolled Fondant
- 8" Dummy Cake or real cake, 4" high (real cake is a little easier to work with for beginners; **Have it assembled and lightly crumb coated with icing!!!**)
- Fondant Smoother
- Metal Spatula to spread icing on cake
- OPTIONAL - Americolor Food Coloring (just 1 or 2 of the colors that you like if you want your fondant colored)
- OPTIONAL - Super Pearl Dust (for a lovely shimmering finish)
- OPTIONAL - Pump Brush Dust Dispenser or large UNUSED soft bristle make-up brush used to dispense/apply Super Pearl Dust
- Tylose Powder
- One color of Luster Dust
